The Chamonix sports club has been organizing the Kandahar Ski World Cup since 1948 in the Chamonix Valley.

The success of this event can only rely on professional ski sector companies and more particularly on companies specializing in safety.

The Sports club has been working in complete confidence for more than 15 years with SPM on the ski world cup which has always been able to offer high quality products for rent or sale.

Thank you for your cooperation and your support.

Best Regards.
